
Forum ENSAI

ABOUT FORUM ENSAI

The 'Forum ENSAI' is an annual event, a one-day career fair, where several company representatives are invited to meet ENSAI students. During this special day, they answer students' questions about their respective jobs and firms and inform them about fields to be studied in their final year : Quantitative Marketing, Financial Engineering and Risk Management, Health Econometrics, Computer Science and Decision-Making Systems, Biostatistics, and Statistical Tools for Industrial Applications.

The seventh session of the 'Forum ENSAI' will be held within the ENSAI facilities, on :

Wednesday October 15th, 2008, 10 am – 5 pm

Our main goal is to enable companies to promote themselves while guiding our students in their career choices. ENSAI alumni make up most of our guests, but we are glad to host other company representatives, as well, who are eager to meet our students. International firms are also all the more welcome to attend our 'Forum', as ENSAI advocates mobility and diversity. During interviews with students, firms may also find out more about our future graduates and offer them work placement opportunities afterwards, depending on company needs.

SERVICES

Shuttle

ENSAI opens its doors at 9:00 am to companies which arrive at the school by their own means. Otherwise, a shuttle especially hired for the event will pick you up at Rennes railway station. In this case, a member of the Forum ENSAI Team will be waiting for you at the train station at 9:30 am. A return shuttle will be available in the evening, leaving ENSAI at – (and arriving at Rennes railway station at –). If you wish to benefit from this service, please indicate it to us on the entry form.

Equipment

Each company is provided with a stall and a notice board. If you need additional equipment, please mention it on the entry form.
